

# Course Guide

2020-2021

## CURRICULUM

Valley International Academy's expert educators prepare and lead students with tailored programs focused on mastery of the English language and meeting U.S. high school graduation standards in all subjects.

One-on-one curriculum and personalized instruction is what set's VIA apart. VIA inspires a love of learning and provides students with the tools to unlock their potential and pursue excellence.

College Preparatory courses are offered based on student interests and needs. VIA offers Advanced Placement courses (AP) regardless of the student's language skills.

## GRADUATION REQUIREMENTS

Valley International Academy's graduation requirements fulfill state-mandated and UC requirements. All students meet with the Dean of Students to design a comprehensive curriculum plan based on their goals and interests.
